Regarding the approximately 31 plaintiffs that BP believes are members of the Medical Benefits Settlement Class and have released their claims under the Medical Benefits Class Action Settlement Agreement, **IT IS ORDERED** that BP shall file a motion for summary judgment against these plaintiffs by no later than Wednesday, July 24, 2019. Plaintiffs shall file a response by no later than Wednesday, August 7, 2019.

Regarding the 12 plaintiffs that assert only contract claims (listed in footnote 3 to BP's proposal, Rec. Doc. 25835), the Court intends to sever these cases from the MDL. The Court will issue a separate order implementing this decision.

The following 3 cases will remain stayed: U.S. Environmental Services, L.L.C. v. BPAPC, et al. (No. 17-03370), U.S. Maritime Services, Inc. d/b/a U.S. Maritime Services, LLC v. BPAPC, et al. (No. 17-03382), and US. Maritime Services, Inc. v. BPAPC, et al. (No. 17-03388).

Regarding all cases in the B3 bundle other than those mentioned above, **IT IS ORDERED** that the parties shall meet and confer regarding a proposed joint case management order as stated on the record. The parties shall file a proposed joint case management order by no later than Wednesday, August 7, 2019. In the event the parties are unable to agree on all aspects of the proposed joint case management order, the proposed joint case management order shall identify the areas of disagreement and present the parties' competing proposals.

Regarding the 22 plaintiffs who were required to comply with PTO 63 and PTO 66 by July 16, 2019 (see Rec. Docs. 25750, 25751, 25771), **IT IS ORDERED** that by no later than Wednesday, July 24, 2019 BP shall file a status report stating whether these plaintiffs have complied with PTO 63 and PTO 66.
