

IT IS FURTHER ORDERED that BP may recycle, reuse or otherwise dispose of each item described in Exhibit C to this Order when and as it is recovered from the water column, the seabed, or topside on vessels, provided that (i) BP shall make all such items available for inspection by any party to this litigation at a secure location for a period of no fewer than five (5) business days following the recovery of such item; (ii) BP shall cause photographs of all such items to be taken and made available to all parties to this litigation; and (iii) in the event that a party to the litigation notifies BP in writing or by e-mail that the party objects to confirming the non-applicability of BP's preservation-of-evidence obligations as to a specific item, BP shall retain the item at a secure location pending resolution of the issue by the parties and/or this Court.

THUS DONE AND SIGNED, this 19th day of November, 2010, at New Orleans, Louisiana.

  
United States District Judge
