ORDER

CONSIDERING THE FOREGOING Third Motion for Confirmation of Non-Applicability of Preservation of Evidence Obligations as to Certain Subpoenaed Items and Certain Non-Evidentiary Items filed by BP America Inc., BP America Production Company, and BP Exploration & Production Inc. (collectively, the “BP Defendants” or “BP”);

IT IS ORDERED that the motion is GRANTED;

IT IS FURTHER ORDERED that BP may immediately recycle, reuse or otherwise dispose of each item described in Exhibit A to this Order, provided that (i) BP has made or shall make all such items available for inspection by any party to this litigation at a secure location for a period of no fewer than ten (10) business days commencing February 28, 2011 and concluding March 11, 2011; (ii) BP shall cause photographs of all such items to be taken and made available to all parties to this litigation; and (iii) in the event that a party to the litigation notifies BP in writing or by e-mail that the party objects to confirming the non-applicability of BP’s preservation-of-evidence obligations as to a specific item on or before March 14, 2011, BP shall retain the item at a secure location pending resolution of the issue by the parties and/or this Court.

IT IS FURTHER ORDERED that on or after February 28, 2011, BP may immediately provide the items listed in Exhibit A to this Order to the MWCC should those Exhibit A items, or any of them, be required for a Gulf spill response, notwithstanding that the parties to this proceeding may not yet have had the opportunity to complete their inspections of, or their discussions about resolving the legal hold status of, the item in question.

AND IT IS FURTHER ORDERED that on or after February 28, 2011 BP may likewise immediately provide the items listed in its February 18 Notice to MDL parties (Exhibit B to this Order) to the MWCC should those Exhibit B items, or any of them, be required for a Gulf spill response, notwithstanding that the parties to this proceeding may not yet have had the opportunity to complete their inspections of, or their discussions about resolving the legal hold status of, the item in question.

THUS DONE AND SIGNED, this 25th day of February, 2011, at New Orleans, Louisiana.

United States District Judge
