The PSC has objected to several of Gulf Stream's nominees because the nominees appear to have issues with the timeliness of their submission of a Form 95 claim from to FEMA. FEMA has advised the Court that it does not consider this to be a disqualifying condition. Gulf Stream has not yet taken a position on this.

If the Court finds that those plaintiffs who have timing issues with respect to their Form 95 are not automatically disqualified as serving as a second bellwether trial plaintiff, then the PSC nominates the following, who are otherwise appropriate candidates.

Name	VIN	Year of Manufacture	Test Result/test date	Testing Service	PFS-First report of symptoms	Form 95 submitted
