THIS DOCUMENT RELATES TO:
ALL CASES

PRE-TRIAL ORDER NO. 14B

The parties having agreed to amend Pre-Trial Order No. 14 (PTO 14) dated May 4, 2015 and Pre-Trial Order No. 14A (PTO 14A) dated August 10, 2015, PTO 14 and PTO 14A are hereby amended as follows:

1. Section VII.5 of the Defendant's Fact Sheet ("DFS") requests that Defendants provide certain data relating to the dispensing and prescribing practices of Plaintiffs' Prescribing and Primary Treating Health Care Providers as it relates to Xarelto® if such data is within their possession, custody or control. The Plaintiff Steering Committee (PSC) has requested that this data be provided directly to the PSC, for the sole purpose of assisting the PSC in making its bellwether case selections.

2. Defendants license information and data responsive to Section VII.5 of the DFS from IMS Health Inc. ("IMS Data"). IMS Health Inc. has authorized Defendants to provide a copy of the responsive data to the PSC, with no fee, upon execution of the Consent Letter attached hereto as Exhibit 1 by Plaintiffs' Co-Lead Counsel, who has authority to represent the interests of the PSC in this matter.

3. Defendants shall, upon receipt of the executed Consent Letter attached hereto as Exhibit 1 from Plaintiffs' Co-Lead Counsel, produce directly to the PSC a copy of the IMS Data provided pursuant to Section VII.5 of the DFS, in the same excel format that the IMS Data is provided with the individual DFS, for the cases which are in consideration for potential bellwether selection and where DFS's have been produced by Defendants to date.

4. The PSC shall not provide any IMS Data to any individual plaintiffs' counsel for their individual cases. Individual plaintiffs' counsel may obtain IMS Data for their individual cases by following the process set forth in PTO 14A.

5. All provisions of PTO 14 and PTO 14A other than those amended herein shall remain unchanged and in full force and effect.
