On October 14, 2010, Knauf and the PSC announced the creation of a 300 home remediation pilot program. Remediation is complete on 1,712 homes and condominiums, work has begun on 235 homes and condominiums, and 85 more remediations

are set to begin soon. Homeowners and/or counsel with questions about remediations are encouraged to call the helpline created by Moss & Associates at 1-888-91 MOSSUSA (1-888-916-6778).

To date, Moss has mailed out 2,840 Work Authorization packets to homeowners in the various states. Moss has received 2,272 executed Work Authorization packets, and 147 Work Authorization packets are outstanding. Moss and the PSC have contacted certain lawyers regarding the status of the outstanding Work Authorization packets. All counsel are requested to return the outstanding Work Authorization packets to Moss as soon as possible, or to provide reasons as to why the packets have not yet been returned to Moss, for example, (1) the home was foreclosed on by a lienholder, (2) the home was sold by the homeowner, (3) the homeowner has not yet chosen a settlement option, or (4) the homeowner doesn't wish to pursue relief under the settlement,
