LOCAL CIVIL RULE 3 - COMMENCEMENT OF ACTION

LR 3.1 Collateral Proceedings and Refiled Cases

LR 3.1.1 Assignment of Collateral Proceedings and Refiled Cases

LR 3.2 Removal

LR3.1 Collateral Proceedings and Refiled Cases

When a civil matter, commenced in or removed to the court, involves subject matter that comprises all or a material part of the subject matter or operative facts of another action, whether civil or criminal, then or previously pending in any court or administrative agency, counsel must file a list and description of all such actions then known to counsel and a brief summary of the relationship between the cases. If information concerning any such proceeding is obtained after the filing of the original pleading in the latter case, counsel must notify the court and opposing counsel in writing of the relationship between the cases. [Amended February 1, 2011]

LR3.1.1 Assignment of Collateral Proceedings and Refiled Cases

To promote judicial economy, conserve judicial resources, and avoid potential forum shopping and conflicting court rulings, all actions described in LR 3.1 must be transferred to the section with the lowest docket number, unless the two judges involved determine that some other procedure is in the interest of justice. If the transferee and transferor judges cannot agree upon whether a case should be transferred, the opinion of the transferee judge prevails. If counsel fails to make the certification described in LR 3.1 , the judge to whom the case is allotted must transfer the action when he or she learns of the related nature of the proceedings. [Amended June 28, 2002; February 1, 2011]

LR 3.2 Removal

Pursuant to 28 U.S.C. §1447(b), in every case in which a Notice of Removal is filed, there moving defendant must file, within 14 days of removal:

- (a) A list of all parties remaining in the action;
- (b) Copies of all pleadings, including answers, filed in state court; and
- (c) Copies of the return of service of process filed in state court on those parties.

[Adopted February 1, 2011]

LR 5.6 Procedure for Filing Documents Under Seal

LR 5.1 Place and Manner of Filing

All documents must be filed with the clerk of court in the manner provided in the court's Administrative Procedures for Electronic Case Filings and Unique Procedures and Practices for Electronic Filings, available at www.laed.uscourts.gov. [Amended February 1, 2011]

LR 5.2 Filing of Extraordinary Pleadings

The attorney filing any pleadings of an extraordinary nature (*e.g.*, temporary restraining orders, vessel seizures, writs of attachment, and other pleadings requiring immediate judicial action) must remain available by telephone to the judge to whom the matter is allotted until the judge reviews the pleadings and determines the appropriate action. [Amended December 5, 1997; June 28, 2002; February 1, 2011]

LR 5.3 Advance Payment Required

The clerk is not required to file any document or render any service for which a fee is legally collectible unless the fee for the service is paid in advance. [Amended February 1, 2011]

LR 5.4 Certificate of Service

When a document filed after the initial complaint is served by filing it with the court's electronic filing system, no certificate of service is required when all parties are electronic filers and will receive notice through the court's electronic filing system. When a document that is required to be served is served by means other than the court's electronic filing system, the document must include a certificate of service indicating that the document has been served on all parties contemporaneously with its filing with the court, or within a reasonable period of time after the document has been filed with the court, and must list each party on which the document has been served by means other than the court's electronic filing system, and the means of service. [Amended February 1, 2011; December 3, 2018]

LR 5.5 Deposit for Service

Upon deposit of a sum sufficient to cover the immediate costs, except as provided by law, the marshal is required to perform the service. The marshal may demand security in a reasonable amount for future costs. [Amended February 1, 2011]

 - (2) A statement as to why sealing is necessary;
 - (3) Reference to governing case law; and

The movant may also submit a confidential memorandum for in camera review in support of the motion. Memoranda supporting or opposing the motion may be submitted and may be designated, in whole or in part, as confidential. Any confidential memoranda must be treated as sealed pending the ruling on the motion to seal.

- (C) A party submitting a document or portion of a document for filing under seal pursuant to a governing statute, rule, or order must note on the face of the document that it or a portion of it is filed under seal pursuant to that statute, rule or order. Upon filing a document under seal, the clerk must provide public notice by stating on the docket that the document is sealed.
- (D) If the motion to file under seal is denied, the movant may file another motion to remove the document(s) from the record within seven days. If no such motion is timely filed, the document(s) must be filed as a public record.
- (E) Each document filed under seal must be submitted to the clerk's office securely sealed with the container clearly labeled "UNDER SEAL." The case number, case caption, a reference to any statute, rule or order permitting the item to be sealed and a non-confidential descriptive title of the document must also be noted on the container.
- (F) A motion to have the entire case sealed is subject to the requirements and procedures of subsections (C) and (E) of this rule.
- (G) Nothing in this Rule restricts the parties from stipulating access to materials that are not filed with the court.
- (H) Except as permitted by law, trial exhibits, including documents previously filed under seal, and trial transcripts will not be filed under seal.

If a case is settled as to fewer than all of the parties or all of the claims, counsel must also identify the remaining parties and unsettled claims. [Amended February 1, 2011]

LR 16.5 Captious Settlement Tactics

When notice of settlement is not provided as required by LR 16.4 or when a case is settled within 24 hours before trial, or after trial has commenced, and the court is not aware of circumstances that indicate that this development was reasonable, counsel must show that the failure to give notice of settlement or the failure to agree on settlement at an earlier time was not the result of captious tactics, did not constitute merely the acceptance of an offer earlier refused as part of a calculated tactic of delay in reaching a settlement to obtain further advantages in disregard of the interests of others, or did not result from some other cause amounting to interference with the orderly conduct of judicial business. If counsel fails to make this showing, the court may assess or apportion jury costs, including attendance fees, marshal's costs, mileage and per diem, against the parties or counsel deemed responsible. [Amended February 1, 2011]

LR 16.6 Reasonable Settlement Discussions

LR 16.5 will not be applied to inhibit reasonable settlement discussions. The court recognizes that good cause may exist for a belated change in position -- an important witness may fail to appear, counsel may learn that facts deemed provable are not provable, or a witness may change his testimony. But the rule will also be applied to take into account the difference between good cause for delay in settlement and negotiating tactics that, heedless of inconvenience to the court and the public, use imminent trial as a catalyst to attempt to increase or reduce an already acceptable offer. [Amended February 1, 2011]

LR 16.7 Cases to Be Tried on Date Assigned - Exceptions

All cases must be tried on the date set unless the trial is continued by order of the court. [Amended February 1, 2011]

LR 16.8 Absence of Material Witness

Every motion for a continuance based upon absence of a material witness must be accompanied by the affidavit of the moving party or attorney, setting forth the efforts made to procure attendance and the facts expected to be proved by the witness. If the opposite party admits that the witness, if called, would testify as set forth in the affidavit, the court may, in its discretion, deny the motion. [Amended February 1, 2011]

LR 16.9 Retaining Position on Trial Calendar

Cases set for trial but not reached on that day retain their relative position on the trial calendar and, to the extent practicable, are entitled to precedence over cases set for trial on a later date. If this is not practicable, the court will reassign the case or cases that cannot be reached.
[Amended February 1, 2011]

- (C) The foregoing provisions apply, with appropriate adaptations, to any counterclaim or cross claim alleged to be brought for or against a class.
- (D) 1. Whenever a party or counsel seeks to prohibit another party or counsel from communicating concerning a class action with any potential or actual class member not a formal party to the action, he or she must file a motion that sets forth with particularity the consequences that will result from such communication and the remedy sought.

2. To obtain an order prohibiting communication with class members, the movant must establish a clear record reflecting:

- a. specific consequences the motion seeks to prevent;
- b. the need for the order, weighing the consequences sought to be corrected and the effect of the order on the right of a party to proceed pursuant to Rule 23 without interference.

3. Any attorney who communicates with the class must preserve and retain a copy of all communications that he or she has with any members of the class or potential class until final conclusion of the action.

LR 83.2.1 Roll of Attorneys

Any member in good standing of the Louisiana bar who is of good moral character is eligible for admission to the bar of the Eastern District of Louisiana. The bar of the court consists of those

lawyers admitted to practice before the court who have taken the prescribed oath and signed the roll of attorneys for the district. [Amended July 17, 2000]

LR 83.2.2 Procedure for Admission

- (A) Each applicant for admission to the bar of this court must file a written petition signed by him or her and endorsed by two members of the bar of this court listing the applicant's residence and office address, his or her general and legal education, the courts in which he or she is admitted to practice, and stating that the applicant is qualified to practice before this court, is of good moral character, and is not subject to any pending disbarment or professional discipline procedure in any other court. If the applicant has been convicted of a felony or has previously been subject to any disciplinary proceedings, full information about each, including the charges and the result, must be set forth.
- (B) An applicant may be admitted in open court or in a judge's chambers, upon taking an oath to conduct himself or herself as an attorney or counselor of this court uprightly and according to law and to support the Constitution of the United States. The attorney must, under the direction of the clerk, sign the roll of attorneys and pay the fee required by law and any other fee required by the court. A motion for admission must be filed within six months of filing of the petition.
- (C) Upon written request and for good cause shown, if a personal appearance would present undue hardship for the applicant or the applicant resides outside the boundaries of this district, the court may grant the applicant's request for admission without a personal appearance. In such instance, the applicant must take a written oath, on a form prescribed by the clerk, to conduct himself or herself as an attorney or counselor of this court uprightly and according to law and to support the Constitution of the United States, and submit this written oath with any fee required by law and any other fee required by the court. At the attorney's first physical appearance before the court, he or she must sign the roll of attorneys in the clerk's office.
- (D) Every attorney admitted to practice before this court must pay to the clerk of court an annual fee in an amount periodically set by the court en banc and posted for public notice by the clerk of court. The fee will be made part of a fund used to defray the expense of administration and enforcement under the court's Disciplinary Rules and for such other uses and purposes that the court determines appropriate. These fees must be paid triennially not later than March 1 of the calendar year in which such payment is due.
 - (1) At the time of admission, the attorney must make the initial triennial payment. Such fee will not be prorated within any calendar year, but an attorney first admitted in the second or third year of any triennial period will be required to make proportionate payment only for those years of such period in which the attorney's membership in the bar is effective.

Attorneys admitted pro hac vice must pay a triennial or proportionate fee, unless a similar fee has been paid to another court of the United States and satisfactory evidence thereof has been submitted to the clerk.

- (2) Any attorney who fails to pay the fee required under subsection (1) will be summarily suspended, provided a notice of delinquency has been sent to the attorney to the last address appearing in the Roll of Attorneys of the bar of this court at least 35 days before such suspension.

Any attorney suspended under this provision may be reinstated upon payment of the fee.

- (E) To facilitate the keeping of an accurate Roll of Attorneys, every attorney subject to these Rules must triennially on or before the first day of March, file with the clerk of this court a registration statement on a form supplied by the clerk setting forth the attorney's current residence and office addresses; his or her Bar Roll number; and the bars of all states, territories, districts, commonwealths, or possessions or other courts of the United States to which the attorney is admitted and the dates of such admissions. In addition, every attorney subject to these Rules must file a supplemental statement of any change in this information previously submitted within 35 days of such change. All persons must file this required registration statement at the time of admission to practice before this court. Upon request, the clerk will provide a certificate of compliance.

- (1) Within 35 days of receipt of a statement or supplemental statement and of payment of the aforesaid fee in accordance with the provisions of (A) and (D) above, the clerk must acknowledge receipt thereof in appropriate form so as to enable the attorney, on request, to demonstrate compliance with the requirements of (A) and (D) above.

- (2) Any attorney who fails to file the attorney registration statement or supplemental statement as required above will be summarily suspended. A notice of delinquency must be sent to the attorney at the current address appearing in the Roll of Attorneys of the bar of this court at least 35 days before such suspension. The suspension will remain in effect until the attorney has complied with these Rules.

- (F) An attorney who has retired or is not engaged in the practice of law before this court may advise the clerk in writing that he or she desires to assume inactive status and discontinue the practice of law before this court. Upon the filing of such a notice, the attorney will no longer be eligible to practice law in this court and will not be obligated for further payment of the fee prescribed herein or for filing the attorney registration statement every three years as required by this Rule for active practitioners.

Upon the filing of a notice to assume inactive status, the attorney will be removed from the roll of active attorneys until and unless he or she requests and is granted reinstatement

to the active rolls. Reinstatement to active status may be granted (unless the attorney is then subject to an outstanding order of suspension or disbarment or has been on inactive status for five years or more) upon the payment of any fees due as prescribed by this Rule and the submission of a current registration statement. Reinstatement to active status of an attorney who has been on voluntary inactive status for five years or more will be governed by the provisions of the Disciplinary Rules of this court.

- (G) The fees and costs paid pursuant to these Rules will be maintained by the clerk as trustee thereof in separate interest bearing, federally insured accounts with such depositories as the court may from time to time approve or invested in obligations of the United States. Funds so held will be disbursed only pursuant to the orders of the court and at no time will they be deposited into the Treasury of the United States.

[Amended July 17, 2000; October 1, 2003; February 1, 2011]

LR 83.2.3 Rules of Conduct

This court hereby adopts the Rules of Professional Conduct of the Louisiana State Bar Association, except as otherwise provided by a specific rule or general order of a court.
[Amended June 28, 2002]

LR 83.2.4 Attorney Representation

Any party who does not appear in proper person must be represented by a member of the bar of this court, except as set forth below.

LR 83.2.5 Visiting Attorneys

Any member in good standing of the bar of any court of the United States or of the highest court of any state and who is ineligible to become a member of the bar of this court, may, upon written motion of counsel of record who is a member of the bar of this court, by ex parte order, be permitted to appear and participate as co-counsel in a particular case. The motion must have attached to it a certificate by the presiding judge or clerk of the highest court of the state, or court of the United States, where he or she has been so admitted to practice, showing that the applicant attorney has been so admitted in such court, and that he or she is in good standing therein.

The applicant attorney must state under oath whether any disciplinary proceedings or criminal charges have been instituted against him or her, and if so, must disclose full information about the proceeding or charges and the results thereof.

An attorney thus permitted to appear may participate in a particular action or proceeding in all respects. The clerk must register all attorneys admitted to the bar of this court, including those admitted pro hac vice, as Filing Users of the court's Electronic Filing System. Registration as a Filing User constitutes consent to electronic service of all documents as provided in these rules

in accordance with the Federal Rules of Civil Procedure. The clerk must provide Filing Users with a user log-in and password once registration and required training are completed.

When an attorney applies to be admitted or is admitted to this court for purposes of a particular proceeding (pro hac vice), the attorney is deemed thereby to have conferred disciplinary jurisdiction upon this court for any alleged misconduct of that attorney arising in the course of or in preparation for the proceeding. In addition to visiting counsel, local counsel is responsible to the court at all stages of the proceedings. Designation of the visiting attorney as “Trial Attorney” pursuant to LR11.2 does not relieve local counsel of the responsibilities imposed by this rule. [Amended February 1, 2011]

LR 83.2.6 Waiver by Court Order of Requirements for Local Counsel

Counsel who is ineligible to become a member of the bar of this court may be authorized by court order to appear and act for any party without joinder of local co-counsel when it is shown that:

- (A) The party would suffer hardship by joinder of local counsel;
- (B) The obligations and duties of counsel in the particular litigation will be fulfilled without joinder of local co-counsel.

LR 83.2.7 Familiarity With and Compliance With Rules

Everyone who appears in court in proper person and every attorney permitted to practice in this court must be familiar with these rules. Willful failure to comply with the rules, or a false certificate of compliance, is cause for disciplinary action. [Amended February 1, 2011]

LR 83.2.8 Familiarity With the Record

All counsel of record must be familiar with the substance of all documents and court orders filed in the case and any consolidated cases. [Amended February 1, 2011]

LR 83.2.9 Counsel’s Failure to Appear

The court may impose the following costs or sanctions:

- (A) For failure to appear, or appearing late, at any proceeding before any of the judges or magistrate judges when the lawyer has been given timely notice of the proceeding, has failed in advance to seek a continuance, and has no adequate excuse:
 - (1) Upon a first violation, or if the last violation was more than two years ago, he or she may be ordered to pay a fee in a reasonable amount to each opposing counsel who has appeared.

- (2) Upon a second violation, or within two years of the first, the lawyer may be ordered to pay a fee in a reasonable amount to each opposing counsel who has appeared, and may be required to show cause before a judge of this court why he or she should not be suspended from practice or subjected to some other form of discipline.
 - (3) This fee may not be waived, returned, taken into account on settlement, billed or charged to a client in any way.
- (B) For failure, without adequate excuse, to appear for a trial or a hearing for which witnesses have been summoned, or for unreasonable delay in appearing, the lawyer may be required to show cause why he or she should not be subject to disciplinary action.

[Amended February 1, 2011]

LR 83.2.10 Practicing Before Admission or During Suspension

Any person who exercises any of the privileges of a member of the bar or who pretends to be entitled to do so before his or her admission to the bar of this court, or during his or her disbarment or suspension, subjects himself or herself to disciplinary action.

LR 83.2.11 Continuing Representation, Withdrawals, Substitution of Counsel

The original counsel of record must represent the party for whom he or she appears unless the court permits him or her to withdraw from the case. Counsel of record may obtain permission only upon joint motion (of current counsel of record and new counsel of record) to substitute counsel or upon a written motion served on opposing counsel and the client. If other counsel is not thereby substituted, the motion to withdraw must contain the present address of the client and the client's telephone number if the client can be reached by telephone. The motion must be accompanied by a certificate of service, including a statement that the client has been notified of all deadlines and pending court appearances, served on both the client by certified mail and opposing counsel, or an affidavit stating why service has not been made.

[Amended February 1, 2011]

LR 83.2.12 Additional Counsel

Where counsel has appeared for any party, other counsel may appear for the same party only:

- (A) Upon motion of counsel of record for that party, or motion consented to by him or her; or
- (B) Upon motion, after counsel for the party has been permitted to withdraw or has died, or is incapacitated, or cannot be found; or
- (C) Upon motion of a party after notice to counsel of record.

LR 83.2.13 Appearances by Law Students

Limited appearances by law students, if the person on whose behalf he or she is appearing has consented to that appearance in writing and the supervising lawyer has also approved the appearance in writing, are allowed in any civil matter in which a fee is not provided for or could not reasonably be anticipated.

The written consent and approval referred to above must be filed in the record of the case and must be brought to the attention of the judge.

The supervising lawyer or the prosecuting attorney must personally be present throughout the proceedings and is responsible for the manner in which they are conducted.

(B) Certification of Students

The certification of a student by the law school dean:

- (1) Must be filed with the clerk and, unless sooner withdrawn, remain in effect for twelve (12) months after it is filed, or until the announcement of the results of the first bar examination following the student’s graduation, whichever comes earlier. For any student

who passes that examination or who is admitted to the bar without taking an examination, the certification continues in effect until the date he or she is admitted to the bar;

- (2) May be withdrawn by the dean at any time by mailing a notice to that effect to the clerk. The notice need not state the cause for withdrawal;

LAR 4.2 Summons to Show Cause Why Funds Should Not Be Paid to Court

LAR 4.1 Process

- (A) In addition to the requirements set forth in Admiralty Rule B , the clerks of court must not issue a summons and process of attachment and garnishment until (1) the verified complaint and affidavit filed pursuant to Admiralty Rule B are reviewed by the court; (2) the court determines if the conditions set forth in Rule B appear to exist, and enters an order so stating and authorizing process of attachment and garnishment. Supplemental process enforcing the court's order may be issued by the clerk upon application without further order of the court. If the plaintiff or his or her attorney certifies that exigent circumstances make review by the court impracticable, the clerk must issue a summons and process of attachment and garnishment and the plaintiff has the burden on a post-attachment hearing under LAR4.1(C) to show that exigent circumstances existed.
- (B) In actions in rem pursuant to Admiralty Rule C , the verified complaint and supporting affidavit filed in connection therewith must be reviewed by the court and no warrant for the arrest of a vessel may issue, unless the court determines that the conditions for an action in rem appear to exist, and enters an order so stating and authorizing a warrant. Supplemental process enforcing the court's order may be issued by the clerk upon application without further order of the court. If the plaintiff or his or her attorney certifies that exigent circumstances make review by the court impracticable, the clerk must issue a summons and warrant for the arrest and the plaintiff has the burden on a post-arrest hearing under LAR 4.1(C) to show that exigent circumstances existed.

- (C) When property is arrested or attached pursuant to Supplemental Rule B or C, any person claiming an interest in it is entitled to a prompt hearing at which the plaintiff must show why the arrest or attachment should not be vacated or other relief granted consistent with these rules. This rule does not apply to suits for seamen's wages when process is issued upon a certification of sufficient cause signed pursuant to *46 U.S.C. 603* and *604*.
- (D) If the judge to whom the particular case is allotted is not immediately available, matters referred to in this LAR 4.1 may be presented to any other judge without the necessity of reallocation of the case. [Amended February 1, 2011]

LAR 4.2 Summons to Show Cause Why Funds Should Not Be Paid to Court

any ownership interest in the property that is the subject of the action or other interests may be untimely if not filed within the time allowed for asserting right of possession or any ownership interest in the property that is the subject of the action . [Amended February 1, 2011]

LAR 64.2 Release of Vessel or Property Under Admiralty

The marshal is authorized to release a vessel or property if the party at whose instance the vessel or property is detained or his or her attorney, expressly authorizes the marshal in writing to release the vessel or property, and agrees in writing to hold the marshal and his deputies forever harmless from any and all liability as a result of the release of the vessel or other property pursuant to such authorization. At the same time the party or his or her attorney must certify that all costs and charges of the court and its officers have either been paid or that none are due.

LAR 64.3 Movement of Vessels Under Seizure

Without a separate order in each individual case, the marshal is authorized to move the vessels under seizure by him within the district in such a manner and at such times as he, acting as a prudent administrator, finds to be necessary to their proper safeguarding and preservation while under seizure. Further, and without an order of court, he is authorized to permit the moving of vessels anywhere within the area of the district when the party at whose instance the vessel is detained and its owner, or the owner's attorney, expressly authorizes in writing such a movement and agrees in writing to hold the marshal and all his deputies harmless from any and all liability as a result of any such move.

LAR 64.4 Consent Guardian

The marshal is authorized, without special order of court, to appoint the master of the vessel or another competent person as keeper or custodian of any vessel under seizure with their consent, provided that all parties to the action or their attorneys shall have expressly consented in writing to the appointment and shall have agreed in writing to hold the marshal and all of his deputies harmless from any and all liability as a result of the appointment.

LAR 64.5 Notices

Unless otherwise ordered by the court, or otherwise provided by law, all notices required to be published by statute, rule, or order of court must be published in the *Times-Picayune New Orleans Advocate*. [Amended February 1, 2011; March 1, 2022]

LAR 64.6 Sales

- (A) *Notice*. Unless otherwise ordered by the court or otherwise provided by law, notices of sale of arrested or attached vessels or property must be published on three different days, the first of which must be published at least 14 days and the last at least three days before the day of the sale.

- (B) *Confirmation.* In all public auction sales of admiralty by the marshal of this court, the marshal must require the last and highest bidder to whom the property is adjudicated to deposit a minimum of \$500.00 or 10% of the bid, whichever is greater, in cash or certified check, or cashier's check on a local bank. In the event that the last and highest bid should be for an amount not in excess of \$500.00, its full amount must be paid at the time of adjudication. The balance, if any, of the purchase price must be paid in cash or by certified or cashier's check on a local bank on or before confirmation of the sale by the court and within 14 days of the adjudication or dismissal of any opposition which may have been filed.

At the conclusion of the auction, the marshal must immediately report to the court the fact of the sale, the price brought, and the name of the buyer, and the clerk must endorse upon such report the time and date of filing. If within three business days no written objection is filed, the sale is confirmed, provided that no sale is confirmed until the buyer has performed the terms of his purchase. In the event no opposition to the sale shall have been made, the cost of keeping the property pending confirmation must be paid out of the proceeds of the sale; except that if the confirmation is delayed by the purchaser's failure to pay any balance which is due on the price, the cost of keeping the property must be borne by the purchaser after the three day period has lapsed. In the event an opposition to the sale is filed, the opponent must deposit with the marshal, in advance, costs of keeping the property pending the court's determination of the opposition; in default of his or her making the advance, his or her opposition fails without affirmative action by the court. If the opposition fails, the cost of keeping the property during its pendency is borne by the opponent.

At the auction, the marshal must take, record, and report the cost, the name and address of the second highest bidder, and the amount of that second highest bid. In the event that the highest bidder fails to meet his or her financial obligation pertaining to his or her bid, the court may, with the approval of the party or parties at whose instance the sale has been ordered, and of the second highest bidder, confirm the sale to the second highest bidder. [Amended February 1, 2011]

LAR 64.7 Night Vessel Seizure

For the safety of deputy United States Marshals, in the normal course of events, the United States Marshal's Service will not seize vessels that require a bar pilot for their movement in the Mississippi River after dark; provided, however, that the United States Marshal's Service receives from the appropriate pilots' association, after notification to the association that a warrant of attachment has been issued and is in the hands of the Marshal, written acknowledgment that the pilots' association will hold the vessel in the port or at anchorage and not permit movement of the vessel until the United States Marshal's service can seize the vessel the following morning.

In any case in which the seizing party can show exigent circumstances requiring an immediate seizure, before the time the United States Marshal's Service would seize the vessel under this

Rule, any judge of this court may order the United States Marshal's Service to execute the warrant and seize a vessel at any time of the day or night. [Adopted February 1, 2011]

LOCAL ADMIRALTY RULE 65 - SECURITY

LAR 65.1 Sureties

In all cases where the surety on a bond or stipulation for the release of a vessel or other property under seizure is not a corporate surety holding a certificate of authority from the Secretary of the Treasury, and the bond or stipulation is not approved as to amount and nature by the party at whose instance the vessel or other property is detained, or by his or her attorney, the vessel or property must not be released without an order of a judge approving the surety, or in the absence of a judge, the clerk, after reasonable notice and opportunity to be heard.

Such approval must not limit the right of a party to move, under Rule E(6) of the Supplemental Rules, *FRCP*, to reduce the amount of surety given or to require new or additional sureties. [Amended February 1, 2011]

APPENDIX

NOTICE REGARDING COMPLAINTS OF JUDICIAL MISCONDUCT OR DISABILITY

To improve the administration of justice in the federal courts, Congress passed the Judicial Conduct and Disability Act, codified at 28 U.S.C. § 351-364. The law authorizes complaints against United States Circuit, District, Bankruptcy, and Magistrate Judges who have “engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts” or who are “unable to discharge all the duties of office by reason of mental or physical disability.” The conduct to which the law is addressed does not include making wrong judicial decisions, for the law provides that a complaint may be dismissed if it is “directly related to the merits of a decision or procedural ruling.”

The Judicial Council of the Fifth Circuit has adopted *Rules For Judicial-Conduct and Judicial-Disability Proceedings*. These rules apply to judges of the United States Court of Appeals for the Fifth Circuit and to the district, bankruptcy, and magistrate judges of federal courts within the Fifth Circuit. The Fifth Circuit includes the states of Texas, Louisiana, and Mississippi.

These Rules may be obtained from, and written complaints filed at, the following office:
