Re: Patrick Joseph Turner, et al. versus

Civil No. 05-4206

Dear Judge Fallon:

On November 25, 2008 we received from the clerk's office and deposited into our checking account the funds disbursed to us as specified in your order dated November 24, 2008 (copy enclosed).

On November 26, 2008 we began disbursing those funds to the various attorneys in accordance with your order. Exhibit A lists the names of each and amounts paid.

The last attorney fees were disbursed on January 28, 2009.

Bourgeois Bennett received an IRS Form 1099-INT from the clerk of court's office for the interest included in the total amount we received for disbursement to the attorneys as part of their common benefit fees. Since we served as a conduit from the court to the attorneys, we issued an IRS Form 1099-INT to each attorney for their proportionate share of that interest. The amount reported to each attorney is also shown on Exhibit A.

We appreciate the opportunity to assist the court with the task of disbursing these fees and costs to the attorney group.

Very truly yours,

Daniel H. Clavier, Jr.
