

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF LOUISIANA

PATRICK JOSEPH TURNER, ET AL
VERUS
MURPHY OIL USA, INC.

CIVIL ACTION
NO. 05-4206
CONSOLIDATED CASE
SECTION "L" (2)

**AGENDA FOR COURT CONFERENCE WITH LIAISON COUNSEL:
April 6, 2006**

Defendant's Items

- 1 Discovery plan modification for tank related discovery only because of tank shoring issues.
- 2 Distribution of property test results to class members (non-opt outs and those who have not settled with Murphy).
- 3 Ensuring that written notice is sent to people who request hard copies of notice from Murphy.
- 4 LDEQ's intervention regarding groundwater contamination claim.
- 5 Production of data from the public domain, such as documents published by the Army Corps of Engineers.

Plaintiffs' Items

- 6 Revisit the common benefit set-aside issue in light of Murphy's expanded settlement program.
- 7 Discovery problems with Murphy and scope of discovery.
- 8 Ensuring the opportunity to explain to the public issues with Murphy's sampling and test results in any communication, as proposed by Murphy, disclosing Murphy's test results to class members.
- 9 Speed with which Murphy is producing discovery documents and test results.
