Civil Action No. 12:859

Mr. Michael Allen Sexton 2341345

I have a complaint about the same thing that's going on over in work-release and nothings being done. I've gotten an answer and I quote: "If you are unhappy at the McDaniels center, please submit a request to be transferred back into general population. Being in transitional work is a privilege, not a right"
Sgt. J. LaHatte

To whom it may concern

I, Michael A. Sexton, is here at the McDaniel's center work-release on Broad St, and i've written 2 to 3 greivance about our plumbing our showers are all messed up only 3 toilets work leaking pipes and the vans they bring us to work in are not safe, broken mirrors, speeking brakes, and they dont give us the right cleaning supplies to clean the dorm it is so dusty everyone stays sick and it takes a good little while to even see the doctor. The guards plays with the temp according to how they feel we dont go outside unless we are going to work its just nasty fruit flies flying everywhere. They're taking 62% of our earnings and this is what its for.

Food

Transportation (not to mention we're always late, always)

The guards sometimes come here and fall ~~to~~ asleep texting while driving. I do believe none of them vans would pass inspection if they weren't the sheriff. This is some^{thing} the Board of Health need to come and see for themselves
