AMENDMENT TO REQUEST FOR QUOTATION
LAEDCLERK21-0014 – Rapid COVID-19 Test

Please be advised of the following amendment regarding RFQ 21-0014:

1. Please use the amended price sheet (attached) to include a per-test price to provide the test material. The USDC will reserve the option to order tests if it is unable to provide them to the awarded contractor.
2. The USDC prefers the use of Abbott's BinaxNOW rapid antigen test; however, similar antigen tests, which provide results within fifteen (15) minutes and have been authorized by, or received an emergency use authorization from, the Federal Drug Administration (FDA) are acceptable. Please consult the FDA's website for authorized tests. Vendors are to specify the test being offered on the price sheet.
