THIS DOCUMENT RELATES TO:	:	HON. JANE TRICHE MILAZZO
	:	MAG. JUDGE MICHAEL NORTH
Cases listed on Exhibit A	:	
	:	ORDER ON DEADLINES FOR
	:	FEBRUARY 7, 2023 HEARING ON CMO
	:	12A PRODUCT IDENTIFICATION
_____	:	DEFICIENCIES

The Court has set a show cause hearing for February 7, 2023 at 10 a.m. pursuant to PTO 22A to address both Product ID and Plaintiff Fact Sheet deficiencies. *See* Minute Entry, Rec. Doc. 15285.¹ In accordance with Case Management Order No. 12A (entered July 24, 2018 amending the initial CMO 12 governing Product Identification entered on Jan. 12, 2018), Plaintiffs are required to “make a diligent, good faith, and documented effort” to determine Product ID information (§ 2). Evidence presumed to be sufficient to establish Product ID is set forth at paragraph 6 of CMO 12A, and Plaintiffs are to upload the Product ID information to MDL Centrality (§ 7). Any Plaintiff who fails to comply is subject to dismissal pursuant to PTO 22A (§ 11). For any Plaintiff lacking Product ID information following compliance with Paragraphs 1-5 of CMO 12A, discovery limited in scope to determine Product ID information is then authorized for a period of 120 days (§ 12). If Product ID is not determined, any Plaintiff continuing to lack

¹ Although this Order addresses issues related to the show cause hearing on Product ID, the February 7, 2023 show cause hearing will also address Plaintiff Fact Sheet deficiencies. On September 21, 2022, Defendants served upon Plaintiffs a Notice of Non-Compliance identifying cases with PFS deficiencies under PTO 22A. The process and deadlines set forth in PTO 22A for responding to these deficiencies apply to these cases.

Product ID may then “be brought to the attention of the Court for appropriate adjudication” (§ 12). In addition, the Addendum to CMO 12A entered on December 6, 2022 (Rec. Doc. 15287) identifies the documents outside the parameters of CMO 12A to be considered by the Court in adjudicating Product ID deficiencies and a 30-day time period for Plaintiffs to obtain the same.

On September 13, 2022, the Court held a hearing on both Product ID and PFS deficiencies Defendants, and continued a number of cases for further hearing. In addition, immediately before that hearing, several Plaintiffs requested to be removed from the agreed dismissal list and thus were not heard. On September 21, 2022, Defendants served upon Plaintiffs a Notice of Non-Compliance identifying cases with CMO 12A Product ID deficiencies, including Rollovers from the April 28, May 2, July 12, and September 13, 2022 show cause hearings. These cases are collectively listed on **Exhibit A**, attached. Consistent with this Court’s previous orders, each Plaintiff identified on **Exhibit A** is **ORDERED** to comply with CMO 12A by obtaining Product ID information consistent with CMO 12A, uploading such results to MDL Centrality, and dismissing all Defendants for whom she does not have Product ID.

DEADLINES

By December 16, 2022, Plaintiffs’ Co-Liaison Counsel shall provide Defendants a list of Plaintiffs who intend to seek reinstatement of their cases as described in the Addendum to CMO 12A, and the parties shall thereafter meet and confer. If there remains a dispute as to whether that Plaintiff’s case is subject to reinstatement, the issue of whether those cases will be reinstated shall be heard at the February 7, 2023 show cause hearing. (*See* Rec. Doc. 15287).

Any Plaintiff listed on **Exhibit A** who does not plan to show cause or appear to object must notify Plaintiffs’ Co-Liaison Counsel, Palmer Lambert and Dawn Barrios at taxotere@bkclaw.com, by December 30, 2022. Any Plaintiff who plans to object and be heard on February 7, 2023 must provide their objection and the basis for the same (including any documentation

supporting the same) to Plaintiffs' Co-Liaison Counsel by December 30, 2022. Plaintiffs' Co-Liaison Counsel shall provide lists as to both categories of cases, including the objections and documentation, to Defendants on a rolling basis, but no later than January 4, 2023. The parties will exchange their respective positions on the evidence submitted using the agreed form (*see Exhibit B*) by January 12, 2023.² Defendants will serve their 14-day list on January 24, 2023 in accordance with PTO 22A.

Documentation of unsuccessful efforts to obtain Product ID does not satisfy Plaintiff's obligations under this Order or CMO 12A, nor exempt a Plaintiff from dismissal for failure to establish Product ID.

On or before January 31, 2023, Defendants will provide final hearing lists to the Court identifying 1) those Plaintiffs objecting, the substance of their objections, and the parties' respective positions on the evidence submitted; 2) those Plaintiffs who do not plan to appear and object; 3) a listing of cases where a dispute remains as to reinstatement; and 4) any unresolved PFS deficiencies identified in Sanofi's September 21, 2022 Notice of Non-Compliance.

New Orleans, Louisiana, on this 15th day of December, 2022.

JANE TRICHE MILAZZO
UNITED STATES DISTRICT JUDGE

² To the extent a Plaintiff receives documentation, including any obtained pursuant to the Addendum to CMO 12A, following January 12, 2023, Plaintiff shall upload such evidence of MDL Centrality and provide such documentation to Defendants by emailing insognan@gtlaw.com, julie.callsen@tuckerellis.com, brenda.sweet@tuckerellis.com, and reickbush@shb.com within 24 hours of receipt.
