Strategic Framework | General Information | Office Hours and Holiday Schedule

AAMVA's Strategic Framework guides the Association's projects, priorities, and activities by providing direction and expectations represented in AAMVA's annual operating plan. It focuses on goals and outcomes to develop initiatives and measures that enable the Association to achieve its mission and vision. The Association has begun to formulate a new strategic framework and the current framework has been extended to 2022 in recognition of the unusual nature of operating during the pandemic. The [2019-2022 Strategic Framework](#) outlines four strategic priorities that will empower the Association to provide its members and stakeholders the solutions and tools needed to accomplish their missions.
